POSTED: 04/13/18

MAKE AN  
**IMPACT**  
FOR A BRIGHTER FUTURE

## CTE Innovation Coach POSITION OPENING

### THE OPPORTUNITY

- Positively impact the lives of students everyday, helping them learn that "Skills Matter!"
- Work at one of the best Career Centers in the State of Indiana

### THE POSITION

Serve as a role model and resource for teachers. Guide, support, and coach teachers for success in the classroom. Research, gather, and deliver information on leading edge curricular and instructional technology techniques.

- ⇒ Coach teachers in strategies to improve instruction; perform informal observations, walk-throughs, and modeling of instruction; provide support for state standards, lesson planning, curriculum mapping, and gradebooks
- ⇒ Create and disseminate information regarding professional development opportunities and requirements; collaboratively create opportunities for building staff relationships and improving school climate; serve as a liaison between teachers and administration
- ⇒ Formulate and implement professional development activities for all teachers which address CTE content and curriculum; plan and implement new teacher orientation, as well as specific professional development throughout the year for new teachers
- ⇒ Develop teacher learning opportunities for technology integration (Learning Management Systems, G Suite, Skyward, other relevant and innovative applications and tools)
- ⇒ Assist with interviewing and selection of instructional staff

### THE BENEFITS

Central Nine believes in fully supporting our employees as people and professionals. As our teacher for this program you'll receive:

- A supportive team of mentors and colleagues
- Regular professional development opportunities
- Opportunity to shape school improvement strategies through focus team participation
- Respect for your priorities on your family and personal life
- A salary commensurate with the teaching profession
- Attractive insurance and benefits package

### QUALIFICATIONS

- Licensed Secondary CTE Teacher in Indiana
- Five years successful teaching experience, as evidenced by placement, student skills contests, technical skill attainment, or other factors associated with college and career readiness
- Substantial experience in Curriculum Development, Professional Development, and Mentoring
- Highly effective in utilization of instructional technology
- Ability to develop rapport and demonstrate professionalism with high school students, parents, staff and the community
- Flexibility and the ability to address situations as they arise
- Polished image
- Strong written, verbal, and technical skills
