

2017 Jon H. Poteat Scholarship

The National Technical Honor Society honors achievements of top Career and Technical students, provides scholarships to encourage the pursuit of higher education, and cultivates excellence in today's highly competitive, skilled workforce. For over 30 years, NTHS has been the acknowledged leader in the recognition of outstanding student achievement in career and technical education.

The Jon H. Poteat scholarship, named in honor and memory of the co-founder of the Society, is awarded annually to NTHS members who consistently exemplify the seven character attributes of the National Technical Honor Society – Skill, Honesty, Service, Responsibility, Scholarship, Citizenship, and Leadership.

We are pleased to award the Jon H. Poteat Scholarship to a Perry Meridian student, enrolled in our Visual Communications program, Issariah Daniels.
