 [2016 Walking Trail Connection.pdf](#)

Minutes

Mrs. Otte stated that in April 2016 a proposal was brought to Governing Board to make a trail connector from the Worthsville Road people trail to the Central Nine one mile path.

This proposal was originally done through the City of Greenwood and the redevelopment commission and thought it would happen during that summer. At that time the Board had approved Dr. Edds to sign the Right of Entry documents. However; the contractor's bid came in with a very high bid and the City of Greenwood did not go forward with the job.

The land has now been transferred to the Greenwood Parks and Recreation Department.

Mrs. Otte explained that she is seeking approval to sign the Right of Entry documents that have been reviewed and approved by Ray Basile, Legal Counsel.

Darren Thompson moved for approval for Mrs. Otte to sign the Right of Entry documents for the Trail Connector. Adam Norman seconded the motion. Motion passed 8-0.

8 Board Member Comments

Minutes

A discussion regarding the Capstone Projects was held. Mrs. Otte explained that last year was the pilot for the program, however; it was re-piloted again this year because we had so many new instructors. A committee is looking at how the project can be potentially incorporated next year through our work ethic certification program. This year not every student was required to do the capstone project. In May, the Committee will be giving their recommendations on how to proceed with the projects next year.
