

July 1, 2019

Dear Students & Parents:

Congratulations on acceptance into a program at Central Nine Career Center. I would like to personally commend you on making the decision to enroll in a program at Central Nine, where you will be able to Make an IMPACT for a Brighter Future! We look forward to having you on campus very soon. The purpose of this letter is to make you aware of some important dates and information regarding the beginning of the school year.

We will host a Registration Day on **July 24th**, where **parents** can view their student's schedule, update student information, emergency contacts, and make payments for student fees. We recommend you come in person on this day if at all possible. You will also be able to view your student's Central Nine Schedule at this time. We will have registration during the following date/times:

July 24 (WED) 8:00 am - 12:00 pm and 1:00 pm – 7:00 pm

If you are not able to make it to Central Nine during the Registration Day, you may also complete your registration **online at home starting July 24th**. Both new and returning Central Nine parents with emails in the system will receive an email to reset their account information on or around July 23. If you haven't received this email by July 23, but would still like to register online, you will need to contact our Student Services Office at ext. 221. To access the registration from your computer or device, simply visit our website [www.central9.k12.in.us](http://www.central9.k12.in.us) and click on the "Skyward" button in the upper right hand corner.

You will have to be sure the "Login Area" is set to "Family/Student Access." Once logged in, look for the "Online Registration is now open..." link to complete the registration.

Our first student day is Thursday, August 1, 2019. Most of our sending schools start on or before this date. Again this year, **Franklin Community will** provide transportation for their students to attend from our first day, even though they start later. Other corporations may also require attendance from day one, so please follow your corporation's requirements. A full 2019-2020 calendar is provided on the back of this letter for your reference.

Central Nine will be continuing the **Work Ethic Certification Program** in 2019-20. Many of our sending schools will be implementing, as well for 2019-20. The certification is earned for maintaining high levels of Integrity, Motivation, Professionalism, Adaptability, Communication, and Teamwork. Students earning the certification will be offered incentives by area business and industry partners. I invite you to come and hear more about this exciting program at our **Current Student Open House on August 13, 2019 from 6:30-8:00 pm**. We will have ongoing presentations that evening.

Sincerely,

Dr. William E. Kovach  
Director
