RE: eLearning @ Central Nine

ELEARNING @ CENTRAL NINE

- If your partner school is on fall break during the week of October 7, 2019 - October 11, 2019, you will be expected to remain engaged with your program through required eLearning.
- Your instructor will let you know whether or not your eLearning assignments will be on [Canvas](#), [Google Classroom](#), or another platform.
- It is highly encouraged that you complete the assignments through the week to stay on par with your classmates who are in attendance at Central Nine. However, all eLearning assignments will not be officially due until 8:00 a.m. on Monday, October 28, 2019.
- If you have questions as you complete your eLearning assignments, please email your instructor.
