the Indianapolis International Airport**

This is a Juniors and Seniors only program. Students must be able to provide their transportation.

High School Credit Courses

Four credits per semester. Counts as a Directed Elective or Elective for the General, Core 40, Core 40 with Academic Honors and Core 40 with Technical Honors diplomas.

PROGRAM OVERVIEW

This program is in partnership with Vincennes University Aviation Technology. Classes are held at the Aviation Technology Center at the Indianapolis International Airport. The program will familiarize students with Federal Aviation Regulations and aircraft maintenance. Because of the nature of the program, there are strict rules and regulations that students must follow. Program completion allows for priority enrollment into the Associate's degree program at either the Indianapolis or Vincennes campus.

REQUIRED SKILLS

- Basic Math, Literacy, Science foundational skills
- Minimum discipline referrals
- Good attendance rate
- Must be able to handle a very structured environment (rules, policies, procedures)
