High School Credit Courses

Four credits per semester. Counts as a Directed Elective or Elective for the General, Core 40, Core 40 with Academic Honors and Core 40 with Technical Honors diplomas.

PROGRAM OVERVIEW

Located at Central Nine, this program provides students with a broad-based introduction to the field of aviation in partnership with Vincennes University. Flight and Operations is the ideal program for students interested in becoming pilots and could lay the ground work for careers in Aviation Operations/Flight. Course activities include: familiarization with aviation technology, a historic overview of the aviation industry, exploration of the current aviation environment, as well as aviation careers and employment opportunities. Because of the nature of the program, there are strict rules and regulations that students must follow including a rigid attendance requirement/policy.

REQUIREMENTS

- Must meet minimum Accuplacer standards set by Vincennes Aviation Director
- Passing grade in Physics course recommended
- No more than ten absences per year
- Work under dynamic situations
- No more than three discipline referrals and no out of school suspensions
- Good attendance rate
- Must be able to handle a very structured environment (rules, policies, procedures)

SUPPLIES / MATERIALS Total: \$467.00 +

Optional Test fee (\$165 per test), SkillsUSA membership (\$17.00), Drone Certification (\$150)
