

WORK BASED LEARNING

WORK BASED LEARNING

DOE CODE: 5974

PRINCIPLES OF BUSINESS MANAGEMENT

DOE CODE: 4562

Dual Credit Courses

Business Concepts (BA 123) (3)

Professional Development & Strategies (BA 201) (3)

Three credits per Dual Credit Course

High School Credit Courses (Year I & II)

Four credits per semester. Counts as a Directed Elective or Elective for the General, Core 40, Core 40 with Academic Honors and Core 40 with Technical Honors diplomas.

PROGRAM OVERVIEW

This program prepares students for college and career by using an internship experience. This strategy builds students' skills and knowledge in their chosen career path and furthers their study within their chosen area of interest. Students will also create a work portfolio that can be used in academia or industry. Students will also attain an understanding of management, team building, leadership, problem-solving steps and processes that contribute to the achievement of organizational goals. The management of human and financial resources is emphasized.

REQUIREMENTS

- Application/Interview process required
- Complete at least one advanced career and technical education course from a program or program of study with a C or higher. Student's worksite placement must align to the student pathway.
- Minimum 2.0 GPA
- Drivers license and vehicle required for internship
- Must be able to communicate effectively and professionally
- No more than three discipline referrals and no out of school suspensions
- No more than ten absences per year
- Must be able to handle a very structured environment (rules, policies, procedures)
