(WORK-BASED LEARNING/PRINCIPLES OF BUSINESS MANAGEMENT)

DOE CODE: 5212 5974 4562

High School Credit Courses (Year I & II)

4 credits per semester, Counts as a Directed Elective or Elective for the General, Core 40, Core 40 with Academic Honors and Core 40 with Technical Honors diplomas

PROGRAM OVERVIEW

This advanced science, lab-intensive program introduces students to animal care and veterinary medicine while using the same skills that they may be expected to perform in the veterinary field. Students increase their knowledge by working with animals, utilizing medical terminology, performing clinical skills, practicing animal nutrition, gaining clinical experience, and more. In their second year, students are required to complete a year-long internship to become a Certified Veterinary Assistant.

REQUIREMENTS

- Must be on track for graduation with a minimum 2.5 GPA preferred
- B- or higher in Biology
- B- or higher in Algebra I
- Strong foundation in Health Careers, Animal Science and/or lab-based science courses preferred
- Ability to comprehend college-level text
- No more than three discipline referrals and no out of school suspensions
- No more than ten absences per year
- Must be able to handle a very structured environment (rules, policies, procedures)
- Ability to handle quick-paced, high-pressure situations in a structured environment that is sometimes loud
- Ability to lift, stand, and kneel for extended periods
- Polished verbal skills - ability to communicate well with adults
